Dear Shri Mangu Singh ji,

The construction of the Metro Line from Subhash Place to Punjabi Bagh Chowk falls in my constituency AC-16, Trinagar. All the greenery along Ring Road had been destroyed because of ongoing construction.

You are requested to order your officials to restore the broken boundary walls and the greenery. I also suggest that the green strip below the Metro Line be taken over permanently for maintenance and also create enough parking space for vehicles at Punjabi Bagh Chowk Metro Station and Netaji Subhash Place South Metro Station South.

I would request you to ask the chief engineer to have a visit of the area along with me. Awaiting an early reply.

With regards,

Yours sincerely,

(DR. NAND KISHORE GARG)
