Sub : Request for removal of Jhuggies from the MCD Primary School Park,
Ashoka Park (Main) Rampura Delhi-110035.

Respected sir,

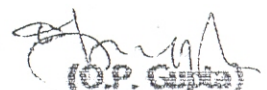

On behalf of the residents of this colony I wish to bring to your kind notice that some Jhuggies are being built in the above school park by some unknown persons. The boundary of the school is intact but the Jhuggies dweller make their way from the back door of the park. Earlier there was only one Juggi inside the school park and now this number has increased to many Jhuggies. The condition of the park is made back to worse.

We have been bringing this matter to the notice of the authorities for the last over twenty five years but no proper action is taken by the authorities to remove these Jhuggies. Rather the number of Jhuggies keep on increasing day by day. The authorities verbally say that some court case is pending in the court but no details of the court is provided to this association. You will kindly appreciate that no court takes more than 25 years to settle such cases.

May I therefore request you to kindly look into the matter and direct the appropriate authorities to take an immediate action to remove these Jhuggies from the MCD school park for the convenience of the school children and the residents of the colony.

Thanking you,

Yours faithfully,
for Ashoka Park Main Res.Wel.Assn.
