Dear Sir,

DDA has constructed more than two hundreds EWS flats near Pitampura Village which fall in my constituency AC-16, Tri Nagar. These flats are not known by any particular name so far. Presently the EWS Flats of Pitampura has no formal nomenclature and commonly known as EWS flats. EWS is just a category not a name. Therefore, it would be in the fitness of things that these EWS flats of Pitampura are given a clear nomenclature for its easy identification and for the convenience of the residents and the public in general. It is proposed that these flats may be named as SWARAJ ENCLAVE. No area or colony in Delhi is presently known as SWARAJ ENCLAVE. Therefore naming the aforesaid flats as SWARAJ would be convenient also most appropriate for these EWS Flats.

Swaraj is the word which motivated all Indian particularly Lok Manya Tilak and others freedom fighters to get this Independence. Therefore, it is a request you to please put this matter before the Naming Authority for approval of its name as SWARAJ ENCLAVE henceforth

Thanking You

Sincerely,

(Dr. Nand Kishore Garg)
