Dear Chaudhary ji,

I am sending Shri Rajesh Gupta who is owner of F-5, Udyog Nagar Peeragarhi Delhi-110041 for removing of an illegal encroachment i.e a Tea Stall run by the Yogender Jha in front of his factory premises. Earlier, this tea stall has been removed by the PWD in the year 2008. But after some time he obtained a letter dated 22.10.2008 from your office stating not to cause any hinderance to living hood. Against this letter, PWD official had written an application to your good office for permission to remove aforesaid illegal encroachment.

Therefore, it is a request you to please take an early action.

With regards,

Thanks.

Yours Sincerely,

(Dr. Nand Kishore Garg)
