Dear Sir,

DDA has constructed a district Centre namely Netaji Subhash Place Pitampura which fall in my constituency AC-16, Tri Nagar. There is provision of Fire Station in Layout Plan of district centre. There is no Fire Station in whole of the Pitampura, Subhash Place, Pitampura Village, Shakurpur Village and Resettlement Colony Anandwas. In a study conducted by Delhi Government in 1996 it was felt that there should be at least 100 Fire Stations in Delhi. You are requested to get the land from DDA and a Fire Station should be started at the site immediately.

With Regards

Yours Sincerely,

(Dr. Nand Kishore Garg)
