Dear Sh. Dharmapal,

I write to seek an appointment to meet you on a date and time convenient to you. I would appreciate an appointment at the earliest. During our meeting, I wish to discuss the possibility of cleaning the drain running through the Trinagar Assembly constituency. The drain is terribly dirty having being not nearly 15 years and has become a grave health hazard. Also need to be explored construction of wall along the drain to make it safer for public. If fact there is wall which is in run down condition and needs to be repaired and upgraded.

I would also like to draw your attention to the pressing need to broaden the bridge over the drain to eliminate traffic bottlenecks.

Covering of Shakurpur drain is another idea which I would like to submit to you in the interest of general public.

Thanking You

Sincerely,

(Dr. Nand Kishore Garg)
