March 20, 2014

Dear Shri Sharma ji,

I am in receipt of your letter number nil dated February 14, 2014 received in my office on 20 March 2014. I am sorry to say that this letter shows the callousness on the part of your personal staff. The letter does not bear any number. Moreover, one reply dated 14 February, 2014 has been sent in response to my 2 letters, dated 10.02.2014 and dated 28.02.2014. I am thankful to hear from DMRC that the cleaning and the thorough repair of these stations is in progress and is likely to be completed by June 2014. But I am sorry to say that on the ground level there is no progress.

I note that the signages at the entries of Kanhiya Nagar, Kohat, Pitampura, Ashok Park Main and Punjabi Bagh stations as agreed to would be modified soon showing the names of the localities' names at exits. Kindly also ensure provision of restrooms for male and Female at these stations. I hope this will be completed in a time bound manner.

I once again request you to kindly arrange to install a lift on the south side of the Kanhiya Nagar Metro Station. The lift at north side of the station is not suitable to the residents of Kanhiya Nagar and Trinagar as they have to cross the road no. - 37 through the ROW of 150 feet. The old and physically disabled persons cannot cross such a busy road.

A prompt and favourable action in this regard under intimation to the undersigned would be highly appreciated.

With regards,

Yours sincerely,

(Dr. Nand Kishore Garg)

Shri Sharat Sharma
Director (Operations)
DMRC, Delhi
