February 08, 2014

**Dear Shri Vijay ji,**

Kindly refer to my earlier letter dated on 16 January, 2014. I am sorry to say that no action has been taken on my letter so far. The sewage system is totally defunct in my Assembly constituency and depends on pumping which is invariably not attended to by the pump operators on Sunday or other holidays. Moreover, the most of the sewage system is polluting the river Yamuna as this sewage water goes in the Najafgarh drain which ultimately merges with Yamuna. The proposed work of UGR at Harsh Vihar has not been taken up for the last several years.

You are requested to convene a meeting with technical staff to expedite the pending issues at your earliest. I hope an early action at your end.

With regards,

Yours sincerely,

(Dr. Nand Kishore Garg)
