

16.01.2014

Dear Sh. Vijay Kumar ji,

I am newly elected MLA from the Assembly Constituency No-16, Tri Nagar. I wish to draw your attention to certain issues of public importance related to my constituency pertaining to Delhi Jal Board. Some of the issues are listed below:-

- 1.) Whole of the area of my constituency is not connected with any functional Trunk Sewage and all the sewage water is going to Najafgarh Drain Which is against the Norms and polluting the river Yamuna.
- 2.) There is no Under Ground reservoir (UGR) between Ring Road and Outer Ring Road. A scheme which was prepared by the TATA for construction of UGR at Harsh Vihar is still not implemented.
- 3.) Shakurpur Drain and Kanhaiya Nagar Drain which carry sewage water to Najafgarh Drain need desilted and remodelling at some places.
- 4.) Lawrence Road Industrial Area Sewage system is not functioning so is the Common Effluent Treatment Plant (CETP).

You are requested to arrange a meeting of Sr. Officials to short out the problem at the earliest under the intimation to me.

Thanking You

Sincerely,

(Dr. Nand Kishore Garg)
