

December 26, 2013

To,
Shri Najeeb Jung,
Hon'ble Lt. Governor
Raj Niwas, Delhi -110054

Dear Sir,

I would like to bring to your kind notice about the advertisement in Hindustan times Dated 24 December, 2013 regarding auction of plots for Higher / Technical Institutions by DDA.

It has been observed that the reserved price of Plots 117000 sq Mtr and 1200 sq Mtr has been fixed as Rs 280.45 crore and Rs 369.37 Crore respectively. The reserved prices are so much exorbitant that this may not meet any parameters. It may be seen that a genuine, bonafide educational organization will not be able to afford Rs 369.37 crores for land alone and still establish a viable educational institutions. Moreover such huge prices will encourage land racketeers, real estate shark will surly use these lands for purpose other than education purposes which will not be beneficial for the society.

I therefore urge your interference in this matter and request for issuance of direction to the concerned and have reaffixed reserved price at reasonable, equitable level which will meet the purpose of upliftment of education standards.

Thanking You

Sincerely,

(Dr. Nand Kishore Garg)
MLA
