March 06, 2014

Dear Shri Anindo Ji,

I would like to bring to your kind notice that in my constituency AC-16, Trinagar, there is a piece of land earmarked for School near Senior Secondary School at Kohat Enclave. I have been told by the DDA officials that this land can be allotted to Delhi Government in near future. In this connecton it may be mentioned that the Education Department has already sanctioned setting up of Pritibha Vikas Vidyalaya at this place and the foundation stone had been laid by the then Chief Minister Smt. Shiela Dikshit.

I would suggest that this piece of land should be acquired/allotted from DDA and the Prithibha Vikas Vidyalaya should be started at this site at the earliest as the Shakurpur Village complex already have 4 schools functional and 5th school in the same complex will make overcrowding of the streets of village Shakurpur. The 14 acre complex is not connected with any major road. The land at Kohat Enclave is more suitable as it is just 100 meters away from Kohat Metro Station, bus stand ect. In a recent meeting with Vice-chairman of DDA on March 05, 2014 this matter was discussed me. DDA is ready to allot this land to Delhi Government for education purpose.

Now you are requested to get this examined at district level so that further follow up action could be taken in the matter. .

With regards,

Yours sincerely,

(DR. NAND KISHORE GARG)

Shri Anindo Majumdar
Secretary, Education
Govt. of NCT of Delhi
