Sub : Non repair of Safety Tank/Sewer Line in the Park behind houses number 82 to 85
Ashoka Park (Main) Delhi.

Respected sir,

On behalf of the residents of this colony I wish to bring to your kind notice that the Safety Tank/ Sewer Line in the above park behind houses number 82 to 85 is completely broken and there is always a danger of someone falling into this main hole line.

We have brought this matter to the notice of the field staff many times who assured that the tender has been floated and the main hole line/safety tank will be repaired soon. More than two years have since elapsed nothing has been done.

The sewer lines of Ashoka Park (Main) remained blocked. It is requested that the sewer main hole line may kindly be cleaned at the earliest.

May I also request the concerned authority to kindly take immediately action to repair this broken main hole line/safety tank to avoid any mishappening in the colony.

Thanking you,

Yours faithfully,
for Ashoka Park Main Res. Wel. Assn.

(O.P. Gupta)
