DLT/MAR-60

March 11, 2014

Respected Shri Najeeb Jung Sahib,

I have come to know that more than **20 Executive Engineers** of PWD has been reshuffled in the last week of March. There are just 50 Executive Engineers working in PWD, Delhi. As you know this (March), the closing month of year 2013-2014. The code of conduct has been enforced since 5 March, 2014, 11AM. The cleaning of drains etc. are supposed to be done in March-April every year. I do not understand the logic of transferring of Executive Engineers in such a large numbers at this juncture.

I request you to stay the transfer order of all Executive Engineers who are working in the field and has not been relieved so far. I hope you will look into the matter and take the necessary step regarding the same.

With high regards,

Yours sincerely,

(DR. NAND KISHORE GRG)

Copy forward for information and necessary action to

Shri S. K. Srivastav (Chief Secretary)

Shri Deepak Gupta (Chief Engineer, PWD)
