Dear S.K. Srivastav ji,

You are requested to instruct all the concern officials to release the sanction of estimates to various agencies from the fund which is balance against my MLA-LAD Fund. No Chief Minister/Minister or official can direct to withhold the sanction of the estimates or the work already allotted on the recommendation of the MLAs before the Assembly Elections although 48 MLAs of previous Vidhan Sabha lost the elections. MLA-LAD Fund is the part of budget estimates 2013-14 passed by the house and a final decision can be made only by the house. The withholding of the sanction of work already allotted on the recommendations of an MLA is a punishable offence in which the house can send the concerned guilty person even to the prison.

You are requested to do the needful in this regard at the earliest under intimation to me and all the concern persons including the Hon'ble members of Legislative Assembly.

With regards,

Yours sincerely,

(Nand Kishore Garg)
